CEIG INSPECTS HYDERABAD METRO STATIONS FROM MALAKPET TO MOOSARAMBAGH

L&T Metro Rail (Hyderabad) Limited is happy to announce that the Chief Electrical Inspector to Government of India (CEIG) for Hyderabad Metro Rail Project, Mr. DVS. Raju has inspected 33kV and 415V Indoor Substations completed in three Metro Rail stations from Malakpet to Moosarambhag today.

This inspection is a part of the process for according the sanction for Energisation of stations which will facilitate the testing and commissioning activities of Railway Systems like Signalling, Tele Communication and Automatic Fare Collection etc. in this section.

The above Metro Rail stations receive power at 33 kV voltage from 132/33/25 kV Receiving Substation (RSS) located at MGBS which has got clearance from Mr. DVS Raju, Chief Electrical Inspector to Govt. of India during the last week of December 2017 which was subsequently energized with power supply from TSTRANSCO's 220/132/33 kV Grid Substation situated in Imliban.

After the inspection Mr. DVS Raju said, "Commissioning of these auxiliary substations in Metro stations will further boost the progress and hasten up the completion of Hyderabad Metro Rail section from Ameerpet to L B Nagar of Corridor-I.

Along with the CEIG, Mr. M P Naidu, Project Director, LTMRHL, Mr. P. Srinivasa Murthy, Head - Electrical & MEP, LTMRHL, Mr. H S Ananda, Dy. Chief Electrical Engineer, HMRL, Mr. Krishna Swami, Team Leader, Louis Berger and consultants from AECOM were present.
