MAKING OF THE HYDERABAD METRO RAIL WITH NATIONAL GEOGRAPHIC CHANNEL PREMIERS TOMORROW SUNDAY, 19TH OCTOBER, 2014 AT 6:00 PM

National Geographic Channel, in association with *L&T Metro Rail (Hyderabad) Limited*, will premier “*Connecting the city of Nizams: Hyderabad Metro Rail*” on Sunday, 19th October 2014, 6:00 pm in their Megastructures.

This is indeed a moment of reckoning for Hyderabadis and the ambitious Hyderabad Metro Rail Project. This marks truly the arrival of Global Hyderabad given the fact, as this is the first time any metro rail project in India is featured in Megastructures of National Geographic Channel before commissioning.

The show will feature the actual work and behind the scenes of the world’s largest PPP project in metro sector. It will focus on the collaboration of some of the best engineers, planners and designers in the city to bring forth this needful railway project.

An eye-popping look at some of the greatest structures and machines ever created by mankind, 'Megastructures' is an inside into the incredible feats of modern engineering a deep dive into the design, construction, operation and inner-workings of some of the most iconic structures in the world, the show unravels the art and science that goes behind creating these engineering marvels.
